***Blast from the Past...***

Here's a clip from a newsletter from 1997—the August/September edition, no less (which also talked about plans for a cookbook!): "Lucinda [Foster] has been with us for 2 1/2 years as an employee. Prior to that time she was a wonderful volunteer. She is a creative cook and is pleasant and friendly to all of our guests. She is the mother of two precious little boys (who are the stars of The Kids Café). Lucinda is an expert at dividing her day so that she can meet the needs of Our Daily Bread and her family...We are very happy that she is with us!"

You know what's really great about this? Lucinda *still* works with us—ten years later!
